

International Journal of Modern Engineering Research (IJMER)

Volume : 14 Issue : 4 Series 3

ISSN : 2249-6645

Jul.-Aug. - 2024

Contents :

Boiler Performance Improvement Using Total Productive Maintenance	253-257
Design and Numerical Assessment of Composite Leaf Springs for Static Load Performance	258-265
Performance Characteristics Analysis of Madhuca Indica Mixed with Various Biodiesel	266-272
A Study of Fatigue Failure of Composite Fuselage Structures	267-274
Performance of Biodiesel based Diesel Engines additive with Zirconium Oxide Nanoparticles	275-279
